

The 2023 scaba Autumn Entertainment Contest will take place on Saturday 30th September at the Mick Jagger Centre in Dartford. Our adjudicator is the acclaimed percussionist, composer and educationalist Andrea Price. All bands will play a short concert programme and compete together in one 'open' section.

scaba Rules and Conditions for Contesting and Registration will apply; they can be found on the website (www.scaba.co.uk/contesting) along with all paperwork you may need for the contest: Percussion Schedule/Plan, Principal Players' List, Ungraded band & Youth band players' list, Day Transfer rules & form

Bands will be graded in the same section for this contest as they are graded for the National Championships of their home country. Bands that do not compete in a National Championships and are not in the Regional grading tables are Ungraded.

Competing bands are expected to comply with the contesting rules and all Nationally graded bands must ensure that their players are correctly registered. Registration cards will NOT be checked at the contest except in the case of any queries or challenges made to the scaba Secretary or Chair. Ungraded bands and Youth bands do not need to register their players.

scaba will apply for a BoPA to cover the requirements for Child Performance Licensing. We will need to know in advance how many players aged 16 and under will be performing with your band, and will contact you directly to confirm the name, date of birth and postcode for any under-16 players. All children must be accompanied by either a parent (playing in the same band or non-playing) or a Licensed Chaperone. If you have any questions please contact James Haigh, scaba Safeguarding Lead.

The closing date for entries is Monday 11th September.

The order of play will be drawn after the closing date and bands will be notified of their draw number and approximate timings by email.

If your band needs to request an early or late draw, please include details when you submit your entry form.

Adjudicator's scores must be provided on the day by each band, along with a programme sheet listing pieces, composers/arrangers and any featured soloists. Original copies will be returned with the adjudicator's remarks and results sheet.

Bands must confirm their programmes by email to the Secretary no later than Friday 15th September.

Entry Fee: £140, discounted to £115 for scaba member bands*

No charge for Youth bands.

* current member bands are listed on the scaba website. Membership application forms can be downloaded from the website and returned at the same time as this contest entry form.

scaba is enquiring about the use of visual display equipment for this contest; please indicate on the entry form if your band would be interested in using this. There may be an additional charge to bands for this, dependant on uptake.

Awards will be given for:

Best Overall Band, Most Entertaining Band,
Best March, Best Soloist, Best Instrumentalist

Best band in each grading/section with 2 or more bands entered.

Entertainment Contest – stage guidance, timing and scoring rules.

The adjudicator(s) will award marks as follows:

Quality of Musical Performance = max. 70 marks

Entertainment (including quality of programming, and presentation of the band) = max. 30 marks.

In the event of a tie for overall placings, the tie-breaker will be the highest mark for Quality of Musical Performance.

Bands may play any number and any style of pieces. Programmes can, but do not have to, include a march or stand-up solo. To be eligible for the Soloist prize, a performer must be a bona fide member of the band and play a stand up solo piece, not just a feature within a band piece.

Each performance must last **no more than 24 minutes**. This will be timed from when the first person steps onto the stage to start the performance until the end of the last note. Applause and all addresses to the audience are included in this timing.

All bands will be introduced by the scaba MC but you may use your own compere to announce pieces and deliver any narration.

A Penalty of 1 point will be deducted for the first minute (or part thereof) over the permitted 24 minutes, and a further penalty of 1 point for each 30 seconds (or part thereof) over 25 minutes.

The band drawn 1 will be required to play the National Anthem. This will **not** be timed as part of their performance.

Contest Procedure:

Your band will be collected from instrument storage by a steward and taken to warm-up. At the end of your warm-up time (approx. 20 minutes), the band will be collected and taken backstage.

The scaba MC or steward will indicate when your stage party can go on stage to set up.

The default stage set up will be standard band formation with chairs and music stands with banners for 25 brass players. Additional music stands (up to a total of 36) and chairs will be available at the back/sides of the stage. Bands may supply their own extra stands/banners if required.

Percussion instruments will be placed according to your percussion plan. Please note that the timpani must stay in a fixed position as shown on the plan.

The set-up period is not timed or judged, however we do ask that this is done as quickly as possible to assist with the smooth running of the contest!

When you are satisfied with your stage set-up, all persons should leave the stage and regroup. The scaba MC will ask your conductor when you are ready to start your performance, and confirm how you would like to be introduced.

You may use both sides of the stage for entrance and exit.

At the end of your performance, please clear the stage as quickly as possible.

Judging will stop at the end of your last note.
